Dizzy Motorist Saved by Capsule

Dangerous Stomach Gas Relieved by Januar Little Wonder Capsules Many motorists know what a har-rowing experience it is to have a sudden attack of dizziness, brought on by indigestion. Everything goes black, control of the car is lost and unless driving is stopped until relief can be had a dangerous accident may follow. F. H. Foster, of Dorchester, Mass. F. H. Foster, of Dorchester, Mass., tells how a motoring friend over-came this trouble. He writes: "The Little Wonder Capsules received and they have been doing wonders not only in my family but with a couple of friends, one of them, who had to stop his auto on account of disziness from gas on the stemach, has found that one capsule a day gives the needed relief. Personally they give me relief from starchy indigestion, and I have never found anything work

If you suffer from dyspepsia, indigestion or constipation get this quick relief today. On sale at Engler's Broadway
Pharmacy, Norwich; Taftville Pharmacy, Taftville; Burroughs Drug
Store, Danielson; Chas. R. Carey,
Jewett City, Conn., or 60 cents by mail
postpaid from Jaques' Capsule Co.,

CHARLES F. WELLS HEADS HOME SERVICE DEPARTMENT Charles F. Wells, manager of the United Metals company, and presiden of the Norwich chamber of commerce, has been appointed chairman of the home service department of the local chapter of the American Red Cross. Mr. Wells succeeds the late Dr. John S. Blackmar, who held the office for several

years past. It is the policy of the American Red Cross to carry on its peace time work as far as possible, through existing agencies that duplication of effort may be avoided. In accordance with this policy, home service work in Norwich, though financed and directed by the Red Cross, is being administered by the family wolfare department of the United Workers, just as tuberculosis clinical and nursing work is done for the tuberculosis com mittee by the public health nursing de partment.

With the war nearly four years past, it might seem that the service which the Red Cross can render the veteran and his family should long since have end ed; on the contrary, the work is still in-creasing, though the character of it has Taffville, recently entertained for a few day's, the former's brother-in-law and sister, Mr. and Mrs. Emory Christie and family of North Grosvenordale, who made the trip by automobile. sister, Mr. and Mrs. Emory

Another factor which added to the heat of the fires this One of the first orders issued by Gov-ripor Lake in connection with the dis-ribution of coal in a preference. One of the first orders issued by Governor Lake in connection with the distribution of coal in a preferential manner, was issued Monday at the request of the E. H. and A. H. Chappell company of New London, authorizing the Pocahontas Coal Co. and the Spring Coal Co. of New York to ship coal on government contracts to New London. This is in line with the announced policy of the federal plan for distribution of coal for so long as there appears to be any danger of a shortage.

So far as the individual householder is concerned, the coal situation remains the same as it has for weeks. There is no egg, stove or nut sizes in the market and only a small amount of pea coal. The soft coal is coming in fairly well, but the price has stiffened a bit.

Dealers are not expecting to receive to the vowers. It is the aim of the converse to the convers but the price has stiffened a bit.

Dealers are not expecting to receive any hard coal for households before another month and possibly six weeks.

small part represented by buildings and manufactured lumber, this is a net loss to the owners. It is the aim of the state forester to make timber property sufficiently safe so that it may eventually be insured at a fair rate, and th PRETTY BASKETS AND BAGS purpose of the coming meeting is to dis cuss methods of improving the efficiency of the fire prevention organization bot hy legislation and otherwise. Woodland owners who are especially interested in this problem are invited to attend and

of make suggestions. The discussion will be on the follow

slash, for fires once under way in such a situation could not be stopped at a situation could not be stopped at the boundary lot and damaged many other owners.
